Introduction

Congratulations on your engagement!

At The Depot, we specialise in creating unforgettable weddings, tailoring every detail to your vision.

From custom menus to seamless entertainment - whether it's an acoustic set, magician, or a DJ - we bring your dream day to life on your special day.

Our team delivers exceptional hospitality and cuisine, offering canapés, multi-course meals, buffets, late night snacks and more.

Let us curate every element for a truly immersive celebration!

This venue information booklet will guide you on what we have to offer.

The Local Area

We are situated on Carpenter Mews, just off of North Road, a quaint industrial block within a residential area of Islington.

A 5-minute walk from Caledonian Road tube station, we are easy to get to in the zone 2 area of London.

Photo spots in the area include the Caledonian Clock Tower, (a 2-minute walk) the Emirates Stadium, and the Regent's Canal near Camden Market.

On your special day you can hop on one of the routemaster London buses from your ceremony and stop in the local area before joining us for your reception.

Bus

17, 274, 29, 393, 91

Tube

Caledonian Road, Piccadilly Line

Overground

Caledonian Road and Barsbury, Mildmay Line

Train

Kentish Town, Thameslink or King's Cross St. Pancras, Various

Car

Caledonian Road A5203, connecting to A1/A503 North or A5200/A501 South

6 What's Included at The Depot

WEDDINGS COME FIRST

Though we are a pub on weekdays, we see ourselves as a wedding venue first, prioritising our couples year-round. We offer viewings, meetings and wedding tastings on weekdays to focus on weddings at the weekends.

YEARS OF EXPERIENCE

We've been organising weddings since 2018. Just in 2025, our team held 98 weddings! We've been there and done that, meaning we can guide you on all of your creative ideas! Halloween or Christmas? Karaoke or silent disco? You got it!

DECOR - THE BLANK CANVAS

Our decor is simple, the stunning fairy lights stay up all year round. The venue's industrial interiors, featuring high ceilings and expansive windows, provide a stunning backdrop for your creative vision. For your tables we offer furniture, crockery, cutlery, glassware and white service napkins.

SET-UP AND TAKE-DOWN

We have ample storage space, meaning you can drop-off your decorations the week of the big day. We handle the set-up for you from the morning and we pack away at the end of the night.

We just ask you take home your gifts, cards and leftover cake; the rest of your decor is held until the following Wednesday.

Lots of time for you to recover!

EVENTS TEAM ON THE DAY

From your initial enquiry, our Wedding and Events team will be there to guide you on your planning, through viewings, meetings, tasting and setup.

On the big day, familiar experts from our team will be by your side, ensuring everything runs seamlessly, from your entrance to your speeches. You're in safe hands!

NO VENUE HIRE

We work on a minimum spend basis.

The minimum spend includes all pre-ordered food and drink, (with 12.5% non-discretionary service) a security charge of £245, and guest purchase on the night.

Our prices include VAT.

No hidden costs, just what you've ordered!

Securing Your Date

The First Contact

So you've found us and are reading this information brochure - that's already the first step to booking your dream wedding!

When you reach out to us, our Wedding and Events team will provide you with all of the details you need before arranging to show you around the venue.

Our food and drink menus are subject to annual changes, so please be sure to ask a member of the team to provide these separately.

The Viewing

Viewings with the team are on weekdays.

Occasionally, we offer evening slots - chat to us, and we will do our best to accommodate.

We don't hold viewings at weekends as we are closed for weddings.

We want to give our couples our utmost attention, as you would expect on your day, so unfortunately, we cannot show you around during a wedding set-up.

Since we operate as a pub during the week, feel free to drop by for a drink and a pizza to experience the space!

Booking

So you like what you see and want to secure your date. That's great, and we cannot wait to start planning with you!

We just need you to sign a contract, followed by a deposit payment of £1000.

Our booking policy states that you have 30 days to change your date or let us know if you've changed your mind for a full refund.

Once booked, we have lots of templates and handy documents to help you get started on your planning.

The Run Up

10

Food and Wine Tasting

Your wedding tasting might be the most important part of the planning!

This is a complimentary set menu for you to taste and discover samples of our continental wines and our three-course menu packages. We deliver our tastings as a set food menu for you to see our presentation, style and variety of dishes across our Silver, Gold and Platinum menus. We host our tastings 3-9 months before your big day.

Additional guests are welcome to attend our tastings for a charge of:

- £60 per person for food.
- £30 per person for wine.

At the time of booking, please let us know how many guests you would like to join you with dietary requirements, and we can arrange this for you!

Meetings

Though most of our couples do not book a meeting with us until after their tasting, you may prefer to hammer down the details as soon as possible! We're on hand to help with your planning, whatever your style is.

We can schedule a meeting in person, or a call if you are slightly further afield - we've planned many weddings from different time zones, so please don't worry, we can handle it!

After your meetings, we will provide you with your detailed running order of the day and initial costing.

Then minor edits can be managed over email with updates sent your way.

The Ceremony

Though we cannot hold legal ceremonies, we can hold a faux ceremony for you.

A faux ceremony is purely symbolic and holds no legal significance, allowing complete flexibility in timing and style.

You can choose a humanist, celebrant-led, or even a fully themed ceremony to match your vision.

Many couples handle the legal marriage separately at a registry office, sometimes days, weeks, or even months in advance, keeping it simple.

They then host a faux ceremony with friends and family to create a meaningful and memorable celebration without the constraints of legal formalities.

It can be held outside in our courtyard for up to 80 seated guests, or inside on our mezzanine and loft levels for up to 50 seated guests, with the rest of your party standing.

Our ceremonies incur a charge of £250 for the additional set-up.

Registry Offices

For your legal ceremony, we recommend the following town halls:

Islington Town Hall

A short 8-minute drive or 30-minute walk.
www.sayidoislington.com/town-hall

Camden Town Hall

A 15-minute drive or a 37-minute walk.
tietheknot.camden.gov.uk/camden-town-hall

Old Marylebone Town Hall

A 22-minute drive away, passing Regent's Park.
www adaytoremember.london/old-marylebone-town-hall

Hackney Town Hall

A 37-minute drive.
www.hackneyvenues.com/hackney-town-hall

Clissold House

A 24-minute drive.
<https://www.hackneyvenues.com/clissold-house>

The Reception

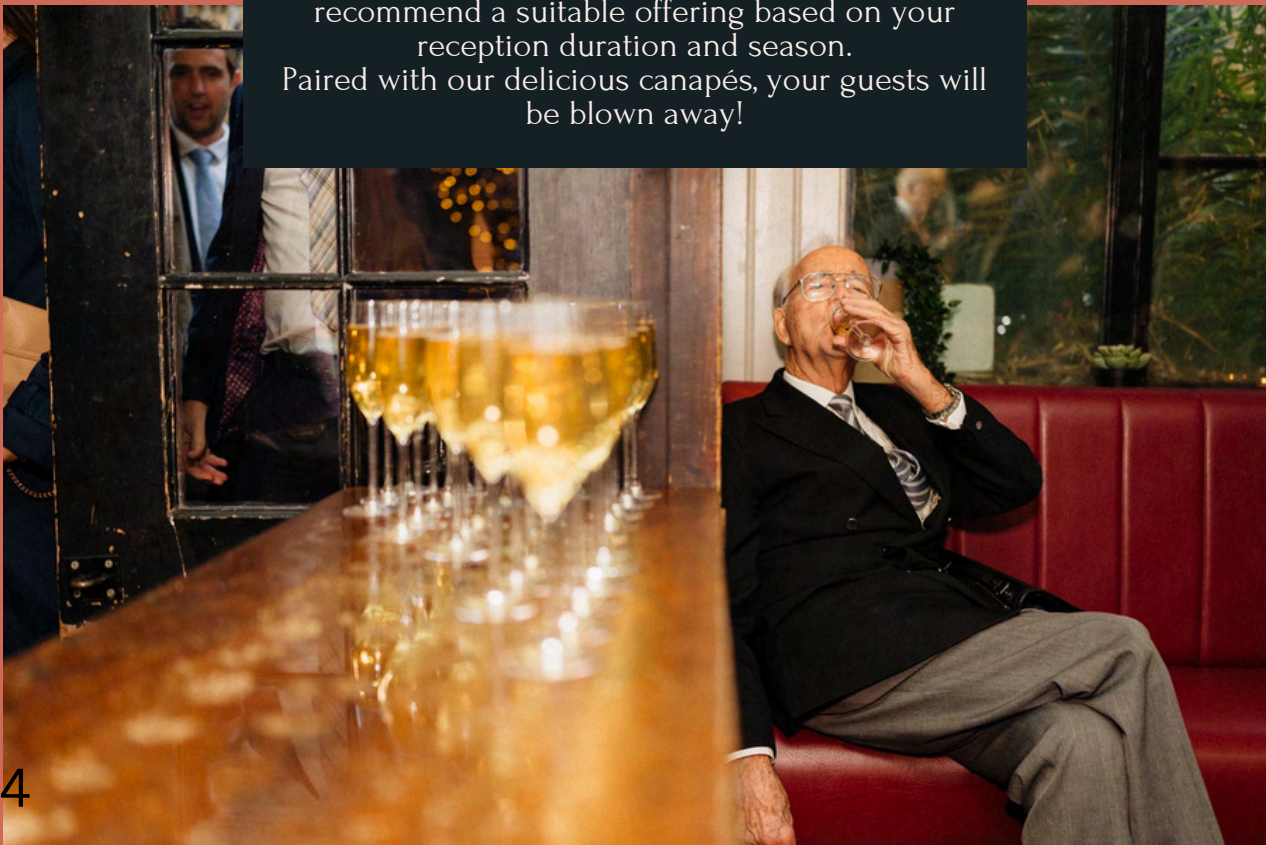

The reception brings everyone together! The scary part is over, (until the speeches!) so let's catch up and mingle.

We can hold your reception in our outdoor courtyard or on our mezzanine level. Of course, we would rather hold your reception outside, but sometimes the British weather doesn't play ball.

Our mezzanine and loft levels have a separate entry and can comfortably hold 130 standing. With the use of the main floor, we can host 280 standing.

We don't provide drinks packages, but our team can recommend a suitable offering based on your reception duration and season. Paired with our delicious canapés, your guests will be blown away!

We love to make sure everyone is covered. Our bar is always stocked with drinks outside of your pre-ordered reception.

We have an extensive beer, spirit and wine selection. We also have plenty of alcohol-free options, such as mocktails, bottled beers, or ciders.

If you need to top up your beers or bubbles on the day of your wedding, you can speak to our team to arrange top-ups as we won't ever let your reception run dry!

We recommend a nominated Master of Ceremonies from your party to help us take the pressure off you. We can liaise with them during the course the day so you can enjoy it!

The sit-down comes next...

The Wedding Breakfast

We offer a selection of menus for your wedding breakfast.

From Silver, Gold or Platinum three-course menus to the buffet options, our skilled chefs can tailor the menu to your needs and cater to all of your guests' dietary requirements.

You will choose your table wines during the wine tasting. We recommend $\frac{1}{2}$ a bottle per person during the meal.

Our staff will manage topping up your waters and wines throughout the wedding breakfast, so you can relax and let us look after your guests!

Any leftover wines will be kept for the party - nothing goes to waste.

After the wedding breakfast, we require 20-30 minutes to turn around the main floor to your dancefloor!

Why not enjoy an espresso martini or a negroni during a cocktail hour on the mezzanine level or outside in the courtyard before we get this party started!

The following pages illustrate example seating plans on our main floor only, depending on the style of wedding breakfast you are after.

If you would like example seating plans for 127-181 guests, please reach out to the team directly for plans including the mezzanine level.

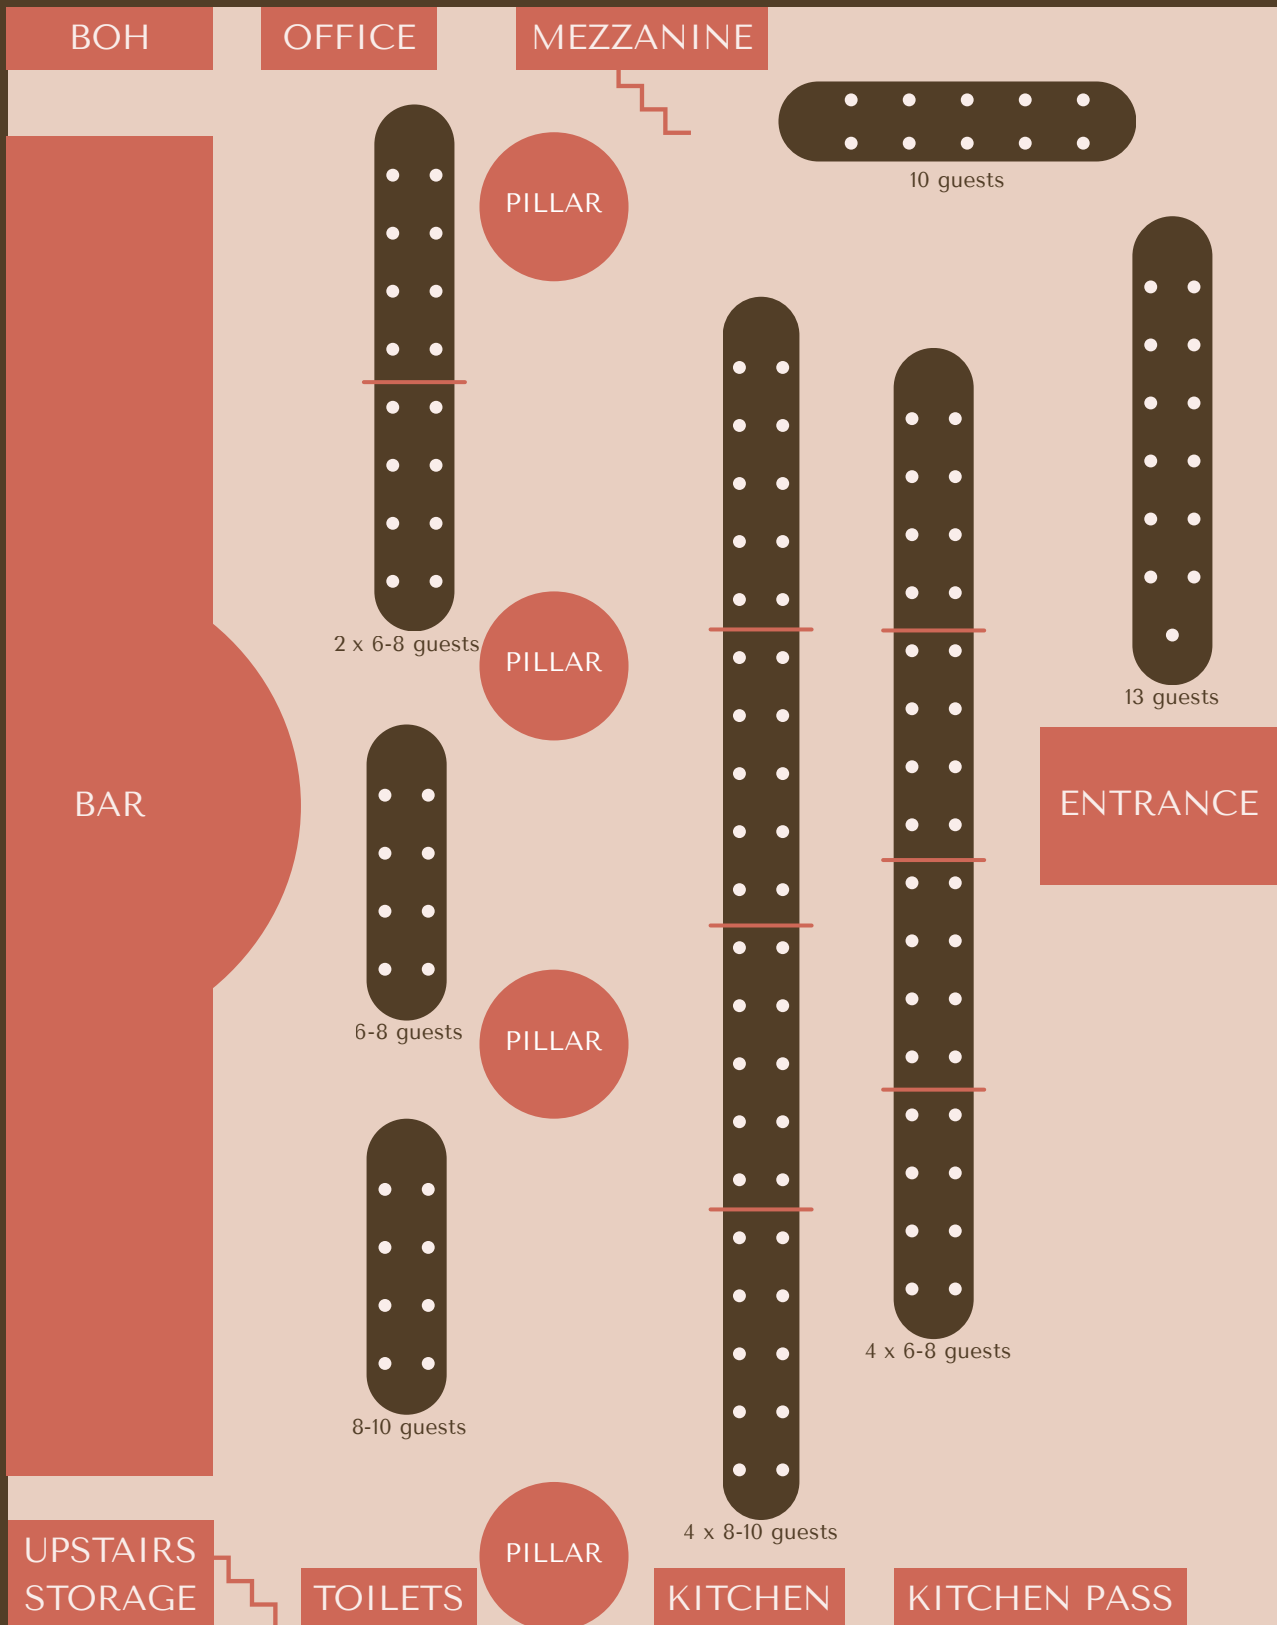

Seating Plan 1

This seating plan is our most popular. It can host up to 129 guests on the main floor, or 113 guests if you plan to book entertainment such as a band or DJ to set up their equipment in the morning instead of after the wedding breakfast during the turnover.

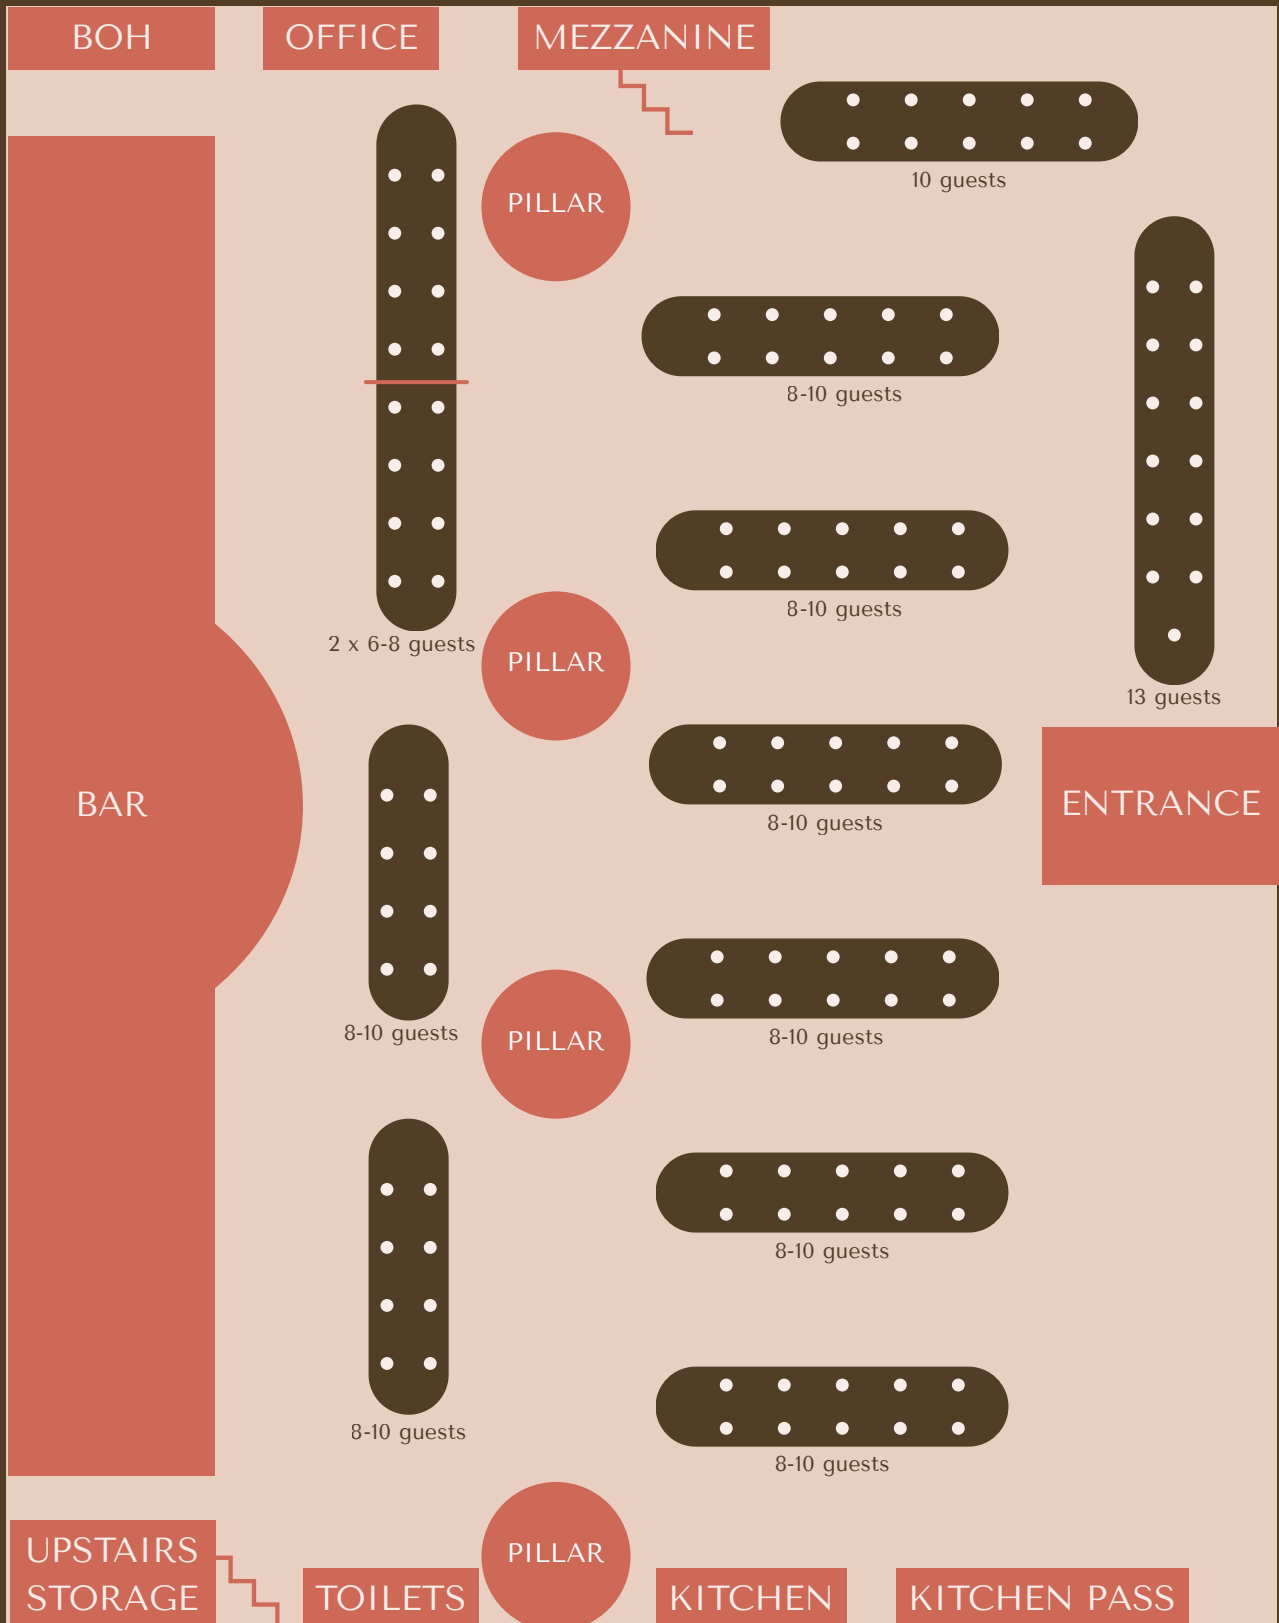

Please see our FAQs for more info on entertainment and seating plans.

This seating plan can also be used for a non-legal ceremony, with the wedding breakfast seating used for guests and the ceremony held at the top of the mezzanine stairs.

Seating Plan 2

This seating plan is a good option for groups.
It can host up to 119 guests on the main floor, or 103 guests if you plan to book entertainment such as a band or DJ to set up their equipment in the morning instead of after the wedding breakfast during the turnover.
Please see our FAQs for more info on entertainment and seating plans.

Max Capacity: 119

Seating Plan 1

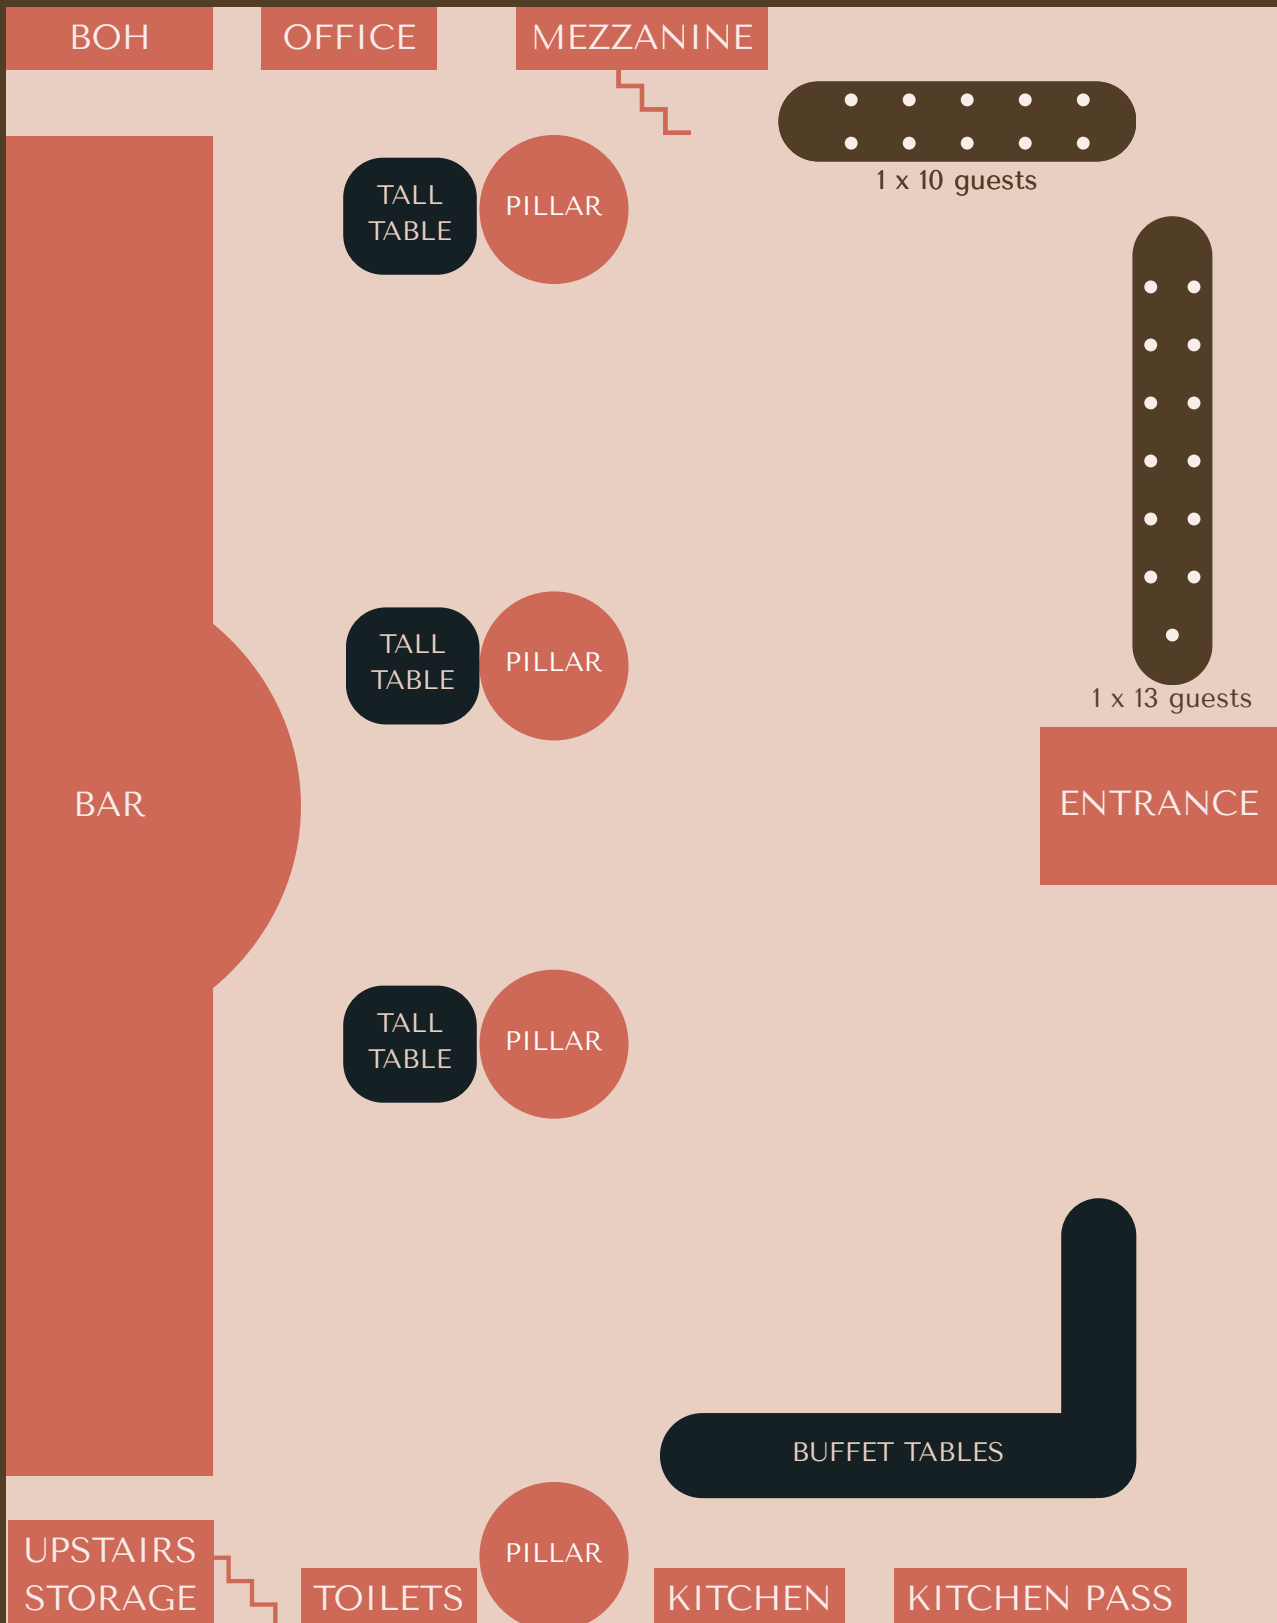

Seating Plan 2

Seating Plan 3 - Roaming with Buffet

This plan is for a less formal affair for those looking for more of a party.

With this option, we remove the majority of seating from the main floor and set up seating for up to 74 on the mezzanine level. With this setup, there is no turnaround, meaning that the bar and dancefloor are both open from start to finish!

Buffet tables are laid out in front of our kitchen pass for guests to help themselves.

Max Capacity: 23 on the main floor and an additional 74 on the mezzanine and loft level, or 280 standing.

The Party

We love to party as much as you do - we are a pub after all!
We have stayed up into the early hours at countless parties and we're not tired yet!

You might want to keep it traditional with cake cutting, followed by a first dance.
Or you might want change things up with a Drag Queen DJ!

We have an in-house PA system for your entertainment to connect to, saving them the hassle of bringing extra equipment - you can connect us to your entertainment so we can help them with any queries they may have.

Live music is allowed until 11 pm, and DJs can play until the end of the night!
All we ask is that your live music does not include live drums in their kit (electronic drums are allowed) due to our licence.

Don't forget to fuel those hungry tumms with late night snacks after cutting shapes on the dancefloor!

Real Weddings

We'd originally booked a different venue but after seeing The Depot, I loved it so much that we changed our wedding date just so we could get married there. 100% the best decision we made. The whole team were brilliant from start to finish. They were so helpful and easy to talk to, answering all our questions. On the day, they were incredible – everything ran like clockwork and we didn't have to worry about a single thing. Their attention to detail and effort made such a difference and let us really enjoy the day. The venue looked gorgeous, the food was great, and all our guests kept saying how lovely everything was.

Tonia & Michael

We had our wedding at The Depot, and it was beyond perfect! The venue is modern, spacious, and full of character, creating the perfect atmosphere for our day. The staff were absolutely phenomenal—so attentive, warm, and went above and beyond to ensure everything was flawless. The food was delicious, beautifully presented, and exactly what we wanted. Our guests couldn't stop raving about the ambiance and service! Huge thanks to The Depot for making our day unforgettable. Highly recommended for any special occasion!

Kate & Dan

The Depot was the perfect place to get married! Shannon, Imogen and Magda were so wonderful to work with, and they answered all of our questions quickly, no matter how small and detailed.

The entire process was so smooth, and they worked with us to make the day exactly what we were looking for.

The day itself was also so smooth - the whole team was amazing and I didn't once have to think about the logistics.

The decor was beautiful, the food was amazing (everyone was so impressed), and the day was so fun.

We would recommend the Depot to everyone!

Natasha & Nick

If you're thinking of booking The Depot for a wedding stop reading this and get it booked immediately. We had the absolute best day there and it's a great venue to get married in. Shannon and Imogen couldn't be more helpful and it's basically like having your own wedding planners, The Depot also put everything out and pack everything down so it's about as stress free as possible.

We normally find wedding food pretty average but the canapes and buffet here were absolutely banging. We also had a couple of cocktail hours with multiple bespoke cocktails and shots and this was handled with ease. Our wedding was about as non traditional and DIY as you can get and included a 4 piece string quartet, a service in the Depot, a couple of musical performances and a DJ, all handled expertly and with ease.

We loved that as there were as no hire fee, only minimum spend, every penny we spent went back into the guests.

What are you still reading for, get booking.

Tom & Danielle

The Depot worked perfectly for us.

Small daytime (75 guests) with 230 in the evening, so their flexibility was just what we needed.

We had minimal suppliers, but friends who turned up to do lighting, flowers, decor.

The staff were so accommodating.

Our guests loved the different levels in the venue.

The process for us was relaxed, flexible and professional.

We were so happy from start to finish.

Highly recommend the Depot!

Rebecca & David

We had our wedding party at the Depot.

I cannot recommend Shannon and her team enough. They made the planning process so easy and answered the many questions I had quickly in the run up to the day. You can tell the Depot team have so much experience with running weddings and I never felt for a moment that I was worried about anything going wrong.

The actual day itself was purely magical. Our guests have made so many comments about how beautiful the venue was, how delicious the meal was and how friendly the staff were.

Our after dinner espresso martinis and Baby Guinness shots went down very well! If you are looking for a venue, book the Depot - you won't regret it!

Viki & Jack

We wanted a relaxed wedding venue for our big day that was perfect for a party and The Depot was exactly that and more. Shannon, Imogen and Magda were so helpful throughout the process and answered all my many, many questions very patiently. On the day, they created the perfect atmosphere.

The whole day ran so smoothly, which our guests actually really noticed and commented on, and also how well organised it was.

All the little extras happened exactly when and how we wanted them (particularly the espresso martini organisation). Plus it was one HELL of a party! We honestly had the best day ever and we are very very grateful.

Hannah & Andrew

We chose The Depot as our wedding venue and had an amazing day. The package they offer for weddings was good value for us - minimum spend rather than a separate hire fee.

The communication from booking to the day itself was easy and responsive. So many of our guests commented on how great the food was and loved the ambience of the venue.

Would 100% recommend for couples looking for a fun, not too formal, party wedding.

Stef & Jo

We had our wedding here at the beginning of February 2025 and had the absolute best time.

The team supported us all through the planning process and were extremely helpful with all of their guidance.

The process of organising everything was really smooth and we loved having some flexibility with the menu.

On the day they set up everything beautifully and attended to everyone's needs.

All of our guests were so complimentary of the food and left very well fed.

We could not recommend them more as a wedding venue!

Claudia & Matt

We had the most amazing wedding experience with the Depot venue and staff! The whole wedding ran super smoothly, with thoughtful touches such as kids meals going out first!

Food was brilliant, had lots of comments from our guests about how great it was. The staff were amazing throughout the process and brilliant on the day. Really flexible with our needs, great with communication, and genuinely lovely people.

The space was perfect, set up just as we'd envisioned and requested and we were lucky enough with the weather to make use of the lovely cobbled garden space.

Would highly recommend and wish we could have the day all over again!

Yvonne & Andy

We had the absolute best wedding at The Depot in November for approximately 120 guests.

The pub is absolutely transformed and becomes this really intimate, warm, and welcoming space that all of our guests enjoyed (we received compliments about the space from nearly all of them).

The food is delicious, the wine choices are great, and the cocktails are top level.

Additionally, Shannon and the staff are just a real pleasure to work with - organised, easygoing, and kind.

Would recommend this space to anyone looking to have a London wedding or big event!

Sophia & Hraunberg

This is such an incredible London wedding venue. It gives you a relaxed feel while also providing all the glitzy, special vibes you'd want from your big day.

The staff are fantastic - supportive in the lead up and ensuring that your day goes off without a hitch ;) When they say you can leave it up to them, you really can. Food was absolutely excellent and the venue was set up exactly how we envisioned. And Imogen and Shannon were great at answering all our questions ahead of the day. Really excellent value for money and everything was such a high standard, we've had so many compliments from our guests about the venue, food and vibes. We couldn't be happier we chose this venue!

Erin & Rohan

From start to finish, the team at The Depot were incredible in helping us plan our wedding. In the lead-up, they made everything so easy - offering great options for food, wine and anything else we needed. On the day itself, the whole team were amazing - from the bar staff and waiters to the event managers who ran everything seamlessly so we could just enjoy the day. The food absolutely surpassed our expectations - beautifully cooked, generous and genuinely some of the best we've had at a wedding. A huge thank you to Shannon, Magda and Imogen for all their support throughout.

We had a wedding for around 80 guests and it was perfect. The Depot is such a versatile space - ideal for both smaller and larger celebrations - and it really captures that relaxed London "knees-up" vibe. I even found all my vendors through their Instagram page!

I can't recommend The Depot and the team highly enough for anyone looking for the perfect London wedding venue.

Truly & Adam

We hosted a wedding for 120 people at The Depot in September 2025.

Imogen was fantastic and made us feel like there was no idea too much trouble or no idea too crazy!

We ended up going with a bespoke (Indian fusion) menu, and they delivered it beyond our expectations, we had plenty of compliments from our guests.

The day went smoothly and they took care of every minor detail despite having a lot of other weddings on the same week.

As they are very experienced with weddings, they were able to give us advice whenever we asked for it. Thank you to the whole team!

Shona & Josh

Our day at The Depot went perfectly, Imogen, Shannon, Magda and the rest of the team worked with us in the year leading up to the day to make sure everything went off without a hitch!

I've lost track of the amount of calls we've were able to have so that all of our questions were answered.

We had a ceremony outside for just over 100 people, initially we were not sure if we would be able to get everyone seated + our ceremony backdrop fitted outside, but Shannon, Imogen and Magda worked with us to find a solution for it and it went perfectly!

The food was absolutely AMAZING, we have had so many guests come to us and say how great it was, they also said how lovely those working behind the bar were throughout the night.

Also the atmosphere in The Depot is fantastic, even better at night when the sun goes down and the indoor lighting is turned on, it's such an awesome venue at night.

Shannon, Imogen and Magda were super flexible throughout the planning, taking all of our ideas and requests and making sure they worked perfectly in the day.

They really will go the extra mile to ensure that it's the perfect day!

We would recommend The Depot as a venue to any couple looking to for a great venue in London, thank you again!!!

Louisa & Ryan

The Depot was absolutely fantastic at accommodating all of our needs for a very special day, every single detail they delivered was to absolute perfection and I could not praise them more highly.

Imogen, Shannon, Magda and the rest of the Depot team were so welcoming and warm and happy to adjust to our needs and schedule.

We were even able to get creative with some of the evening snacks, we had some Canadian guest joining us and we really wanted to do something special so we had Poutine as our evening meal which they accommodated with ease.

The whole day flowed so perfectly and Shannon and Imogen were able to advise on the timings for the day to help us maximise the time we got to spend with our guests.

Every single detail was thought of, and our guests all praised the day so highly.

Thank you all so much for delivering such a wonderful day we had the most incredible time and have already recommended The Depot to so many of our friends for events and weddings!

Danni & Sam

We held our wedding reception at The Depot following our ceremony at Hackney Town Hall in May 2025 and couldn't have wished for a better day.

The venue was perfect for the relaxed pub feel we wanted. We found after looking at a couple of other pub style venues that they were a bit disjointed, but the depot is the perfect layout and size, having the bar right on the dancefloor whilst still having the quieter upper floor areas and the courtyard, so you never lost any guests!

The team were great with communication, from the initial inquiry, through the planning and food tasting, right up to the day of the wedding. Everything was made really easy to plan and no request or question was ever too much.

The food was amazing, both at the tasting and on the day, they catered for any dietary needs with ease and we had lots of compliments from our guests on our choices and quality of the food.

The team did an amazing job of decorating the venue and tables with the items we provided - it was great to be able to leave that up to them and to walk in on the day and see it looking so good.

The venue looks great already and we would say requires minimal decor for it to be wedding ready!

We had x2 red routemaster buses to get our guests over to the Depot from Hackney, which really suited the venue.

We were delayed slightly in traffic on the day but the team worked hard to get us back on schedule for the meal and the rest of the evening.

We couldn't recommend The Depot enough for your wedding reception!

Thank you all so much for making our wedding day so stress free and special!

Beth & Lewis

Suppliers

We wish we could help organise it all, from your dress to rings, streamers to DJs.

Though we put your reception together for you, sometimes you need a helping hand to make your day extra special!

You don't have to work with suppliers from the list below; we see it as an inspiration point for planning your day.

The more suppliers we work with, the more our list grows!

FAQs

Do you allow external catering or dry hire?

We don't offer dry hire or outside catering, as we believe catering is best handled by our experienced team, who prioritise safety, food hygiene, and are skilled with all the specialist equipment.

Can we custom-make menus?

We are happy to make small adjustments to the existing menus in terms of guest preference or dietary requirements. Ask us, and we can see what can work!

Can we have family-style dining instead of 3-courses or buffet?

Though a very popular style of dining for weddings, we are unfortunately unable to offer family-style dining. This is due to the width of our tables. For this reason, we do not have the serving utensils and crockery

Can we bring our own cake, sweets and treats?

Yes, you can bring wedding cakes, sweets and treats at no charge.

We can accept deliveries for you so you don't have to stress on the day!

Our team also provide a cake cutting service for private events starting from £75 including VAT.

This includes portioning your cake, serving on boards buffet style, with cutlery, plates and napkins.

Do you charge a corkage fee?

Yes, we do charge a corkage fee for wines:

- £20 per flat bottle of wine
- £25 per sparkling bottle of wine.

We do not allow corkage on any other drinks.

What are your policies on BYOB (Bring Your Own Beverage)?

We offer a full bar service, so outside beverages are not permitted.

We have the right to confiscate any alcohol from outside of the premises and refuse service to guests on this basis.

Do you allow confetti for a confetti walk?

Confetti is such a key moment to any wedding day and a fabulous photo opportunity!

We do allow confetti walks outside in our courtyard.

Confetti outside must be biodegradable (dried flowers are preferred).

We do not allow for confetti inside or loose glitter on surfaces, and the use of either inside will result in a cleaning fee being deducted from your deposit.

Are decorations allowed?

Yes, you may bring decorations if they do not damage our furniture or walls.

Can decorations be dropped off before the event?

Yes, decorations can be dropped off before the event from Monday to Wednesday, between 12:00 and 20:00. Please label them with the name and date of the event, along with instructions and photos of how you would like them arranged.

We can provide templates for set-up.

Will the team handle set-up and decoration?

We handle all of the set-up for you and allow entry to your suppliers on the day from 09:00, so you don't have to worry!

Certain set-ups require a little more attention and skill, such as streamers, lighting or floral arrangements. In these cases, we would suggest a supplier to come and create these set-ups for you, as we believe it is best to leave this to the professionals!

Do you allow candles?

We do allow candles, provided they are set with holders so as not to leak wax onto the tabletops.

We also ask that any taper candles not be paired on the tables alongside any flammable items such as Pampas grass or other dried flowers.

Are there any restrictions on photography or videography during events?

Guests are welcome to take photographs and videos for personal use.

For commercial purposes, please speak with our management.

Is there a sound system/other AV equipment available for speeches or presentations during events?

Yes, we provide a sound system for speeches and presentations during events.

We have the following AV equipment on site:

- Internal PA system with calibrated non-shutoff limiter.
- A projector with an HDMI port connection.
- Two wireless microphones.
- Two additional screens (with separate connection points).

Please let us know if you have questions around AV, and we can help answer your questions further.

Can I play my own music or bring a DJ/live band?

Yes, we allow playlists, DJs, bands and many more types of entertainment, provided they are played through our internal PA system.

- Traditional drums are not permitted, but electronic drums are allowed.
- Playlists must be sent to us the week of the event.
- Live music must end by 23:00.
- DJs can perform until the end of the night.

Will a band or DJ affect my seating plan?

A band typically requires 60 - 90 minutes to set up and sound check, while a DJ needs 20 - 30 minutes. If you'd like entertainment to begin immediately after the turnaround, we recommend setting up beforehand. Please note that this may reduce your seating capacity by up to 16 guests, as tables cannot be placed in the entertainment area. If you have any questions about seating plans or entertainment, please let us know.

What is your cancellation policy for private events?

Our cancellation policy is 30 days from signing your contract. After this, your deposit is non-refundable.

What time can private hire events begin and end?

The Depot staff will be setting up the big day from 09:00. All events from Monday to Sunday are available from 12:00 - 00:00. However, we don't recommend starting your celebrations with us before 14:00 as it is a long day for you and your guests!

Do you have a late-night license?

Yes, we have a late license until 01:00 on Fridays and Saturdays, which incurs an additional £1,000 to the minimum spend.

Do you have a changing room?

Unfortunately, we do not have a changing room on site, but bands, DJs, or other acts are welcome to use our storage room to store valuables and/or change.

Is your venue dog-friendly?

Yes, our venue welcomes dogs and actively encourages pooches of all sizes! Ask us for a bowl of water and a couple of treats!

Are children allowed, and if so, until what time?

Children are welcome at our venue under parental supervision. There is no time limit at private events when security is on site.

Do you have high chairs?

Yes, we have up to 12 high chairs that can be used. Please let us know where you would like to use a high chair when submitting your table plan, as we may need to review seating.

Do you have baby changing facilities?

Yes, baby changing facilities are available in the accessible bathroom.

Do you have an accessible toilet?

Yes, we have an accessible bathroom located on the ground floor of the venue.

Is the venue wheelchair accessible?

Yes, our venue is accessible on the ground floor, and we have a ramp on site to the mezzanine level via our fire exit.

Where is the nearest car park?

We do not have parking on site.
However, North Road is free at weekends or after 16:30 on weekdays.
We are in the Islington CPZ zone D.

Do you offer Wi-Fi access for guests?

Yes, free Wi-Fi access is available for our guests.

Do you have a designated smoking area?

Smoking is only permitted in our outdoor courtyard.
Please be aware that after 22:00, we are only allowed 12 guests outside at a time due to being situated in a residential area.
Security may ask your guests to return inside to make it fair for other guests who would like to have a cigarette, catch some fresh air, or if a cigarette is their fresh air...

Why is the service charge non-discretionary for events?

Thank you for your question - it's an important one, and we want to be transparent about our approach. Our team works incredibly hard to ensure your event is delivered with the highest level of care.

100% of our service charge goes directly to our staff - those in the kitchen, behind the bar, and on the floor - who truly appreciate this recognition of their dedication.

We understand that budgets can be tight, and we always strive to create exceptional events within your financial limits. However, our non-discretionary service charge ensures that our team's efforts are fairly rewarded and not treated as a cost-cutting measure.

We sincerely appreciate your understanding.
If, for any reason, your experience does not meet expectations, please reach out to your event manager as soon as possible. We are committed to addressing any concerns and ensuring you have the best experience possible.

Congratulations! You made it to the end of our FAQs and information brochure. That's all you need to know about our venue.

Did we forget about anything?
